Keys to Comprehension

Find the Evidence

A detective finds **Evidence**.

He gets clues.

He looks carefully. He finds the evidence.

Then he knows he is right.

Good readers find clues, too.

They may think they know the answer.

But they check. They find the evidence.

Then they know they are right.

As you read:

In this book you will see:

I found this information in paragraph ____ line ____.

It tells you to go back to the story to find the evidence.

The Koala

- 1** A koala bear is not a bear. It is little and round. A koala is like a kangaroo. The mother koala has a sack. A koala cannot hop like a kangaroo.
- 2** A joey is a baby koala. It lives in its mother's sack. It is as big as a jelly bean.
- 3** Koalas live in the woods. They go up in the gum tree. They like to eat the leaves. Koalas sleep in the day. They eat at night.

Objective Questions: What I Learned

Circle the letter next to the correct answer.

1. This story tells about a:

- a. real bear.
- b. little animal.
- c. kangaroo.

2. The name for a baby koala is:

- a. joey.
- b. Bobby.
- c. cubby.

I found this information in paragraph _____ line_____.

3. If you see a koala at night, it will be:

- a. sleeping.
- b. eating.
- c. hiding.

4. You can tell that the baby koala is:

- a. tiny.
- b. bad.
- c. cold.

I found this information in paragraph _____ line_____.

5. How is the mother koala like a kangaroo?

- a. It can jump.
- b. It is little.
- c. It has a sack.

Check: Did you answer ALL the questions?

Picture Comprehension

Koala Bear

Kangaroo

Here is a koala bear and a kangaroo.

Look at the pictures. Read the story. Then circle Yes or No for each.

Who Am I?

	Koala		Kangaroo	
1. I can be gray.	Yes	No	Yes	No
2. I can hop.	Yes	No	Yes	No
3. I have a long tail.	Yes	No	Yes	No
4. I can have a sack.	Yes	No	Yes	No
5. My name says bear, but I am not a bear.	Yes	No	Yes	No
