Pitching Hay

The sun is up! The day is starting on the farm.

Jack and Jill are getting up. Today the twins will pitch hay.

Jack finishes his eggs as fast as he can. Jill is drinking the last of her milk.

The twins huff and puff as they run on the path to the haystacks.

A bird is chirping and splashing in the spring. Jill thinks that it is asking her to stay and play.

Jack tells her that she has to help with the hay.
